

## **Forest ReLeaf of Missouri 2022 Summer Internships**

Forest ReLeaf of Missouri, located in St. Louis, is seeking an intern for the summer of 2022. This summer position will report to both our CommuniTree Gardens Nursery, located in Creve Coeur Park in Maryland Heights, MO as well as our office at 4168 Juniata St., St. Louis, MO.

Full-time, 40-hour/week position with Saturday work likely

Preferred start date: June 1

Hourly pay rate: \$14/hour

The Forest ReLeaf Internship will provide a diverse learning environment focused on hands-on experience and exposure to industry professionals.

- This is a minimum 10-week, full-time internship (~June 1 – August 6).
- Depending on the applicant's needs, the primary reporting location may be at Forest ReLeaf's office in St. Louis City or at the Nursery in Maryland Heights.
- Candidate will be expected to work in tandem with another staff member to water, mulch, and prune previously planted trees. Some independent work may be required.
- Additional responsibilities may include working in the organization's community-assisted tree nursery located adjacent to St. Louis County's Creve Coeur Park. The intern will work directly with our foresters and volunteers in all phases of containerized nursery production (weed and pest control, irrigation maintenance, planting, pruning, mulching, etc.).
- The intern will assist with developing and delivering the organization's various outreach activities including Summer Tree Camp, community volunteer work days, and nursery events.
- Candidate may have an option to maintain part-time work through Fall 2021.

Successful candidate will be expected to:

- Have a valid driver's license and clean driving record.
- Provide for personal transportation to and from the office and the nursery.
- Work occasional weekends.
- Coordinate his/her own college credit details.
- Use personal smartphone for inventory projects with Collector app
