

TREE IMPACT REPORT

WARD 8

April 2025

St. Louis City Forestry is working to expand our tree canopy. Over the next 4 years, 3,200 street trees will be planted across 10 wards. Additionally, these trees will be watered! Thousands of existing street trees will also be pruned, all to enhance the City's canopy.

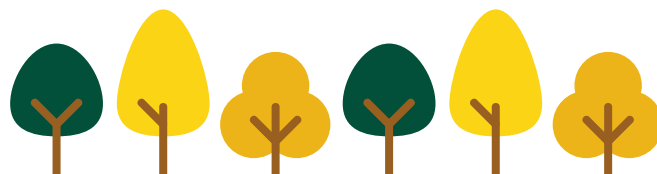

IMPACT TO DATE IN WARD 8...

- 23 street trees planted

IN 30 YEARS

23 trees = 0.48 football fields increase in canopy cover

"Aww, this is my tree you told me about"

-Marine Villa resident

OTHER TREE NEWS...

- Ray Leisure Park received 30 new trees last May with planting help from volunteers.
- Neighborhood Foresters is a volunteer-led group that works in Benton Park (and Benton Park West) doing street tree pruning, clearance pruning and mulching of park trees, blitz clean ups of invasives around large public trees, watering and general tree monitoring. To learn more about their work and to join the effort check them out on instagram @neighborhoodforesters

Visit the City's website to learn more!

Funded by the USDA Forest Service, USDA, City of St. Louis, and Forest ReLeaf are equal opportunity providers.
